

Luxury Blue Train Extension

Blue Train "A Window to the Soul of South Africa"

For the past 19 years the Blue Train has been providing luxury train travel and the 3rd consecutive year has won the 2011 world's leading luxury train award.

Traveling between Pretoria and Cape Town your tour will start in a private departure lounge where your butler will be waiting to assist you. Once on board and settled in one of the luxury suites you can relax in front of your picture window and watch the ever changing landscape or escape to a club car for refreshments. Food and beverages are always available with brunch served between 10:30 -14:30 and afternoon tea at 15:30. The route to Cape Town will make a late afternoon stop in Kimberley where a scheduled tour will take guests to the Open Mine Museum. The diamond rush started in 1871 and Cecil Rhodes the founder of De Beers was one of many hopeful entrepreneurs. The rush was on and after 43 years a hand dug hole of 463 metres wide and 240 metres deep was created, hence called "The Kimberly Big Hole".

Dinner tonight is a formal occasion with a delightful gourmet menu and unlimited South African wines. Later a stroll into the club car or travel back to your suite already turned down for the evening.

The morning brings a picturesque view of the mountainous Western Cape and rolling vineyards of the wine lands. After breakfast you will start your next journey into Cape Town, the "Mother City".

All inclusive journeys starting from \$1471.00 CDN
