## The Best of Kenya Safari Itinerary

**June 5/6, 2022:** Travel from North America to Nairobi, Kenya via London, Frankfurt or Amsterdam. Schedule dependent on airline. We would be happy to book your air for you with our wholesaler or use your airline points!

**June 6 – Stanley Hotel, Nairobi Kenya <http://www.sarovahotels.com/stanley-nairobi/> (2 nights):** Arrive in the bustling city of Nairobi where Carol will meet you and transfer you to the steeped in history Stanley Hotel. Time for a well-deserved rest in this lovely hotel.

**June 7 - Nairobi:** After a hearty breakfast in the Thorntree Café we are off to visit Giraffe Centre to meet the lovely Rothschild's Giraffes. Next we will visit the Kazuri Bead Workshop and see how these fairly traded beads and pottery are crafted. After lunch, we make a very special private visit to Daphne Sheldrick's Elephant Orphanage where you will meet some orphaned baby elephants [www.sheldrickwildlifetrust.org](http://www.sheldrickwildlifetrust.org) Lunch along the way at the beautiful Karen Blixen Coffee Garden. Return to hotel for dinner & safari briefing. B,L,D

**June 8 - Amboseli Serena Safari Lodge, Amboseli N.P, Kenya <http://www.serenahotels.com> (2 nights):** We depart south with Mount Kilimanjaro looming to the east. Along the way we stop at the AIC Kajiado Girls School to spend some time with some special students. Kajiado School has over 700 students but there are 120 girls that have been rescued from forced marriage or orphaned that will steal your heart! We will have time to visit with the girls before stopping for a picnic lunch. We continue on to Amboseli National Park and our beautiful lodge, game driving along the way. Arrive in time for a scrumptious dinner! B,L,D

**June 9:** The day consists of an early morning and late afternoon game drive exploring Amboseli National Park. Although this is one of the smallest parks in Kenya it has a high population of elephants. Some really great lion sightings have been made here too! B,L,D

**June 10 – Nairobi (1 night):** After a morning game drive we will drive back to Nairobi arriving late afternoon. Time for a quick dip in the gorgeous pool followed by dinner and off to bed to get ready for your next adventure. B,L,D

**June 11– The Ark, Aberdares Forest <http://www.thearkkenya.com/the-ark> (1 night):** Drive to the Aberdares, a beautiful mountain range in the central highlands of Kenya. Ringed by the chill and misty moorlands of the third highest mountain range in Kenya, the atmospheric Aberdares National Park was dubbed 'Scotland with Lions' by the early colonialists. As well as lions, the park also offers elephants, lichen-hung forests, spectacular waterfalls and trout-filled streams. A haven for anglers, walkers and lovers of solitude alike, it also plays host to several of Kenya's most famous lodges and offers matchless vistas of the glittering coronet of Mount Kenya and the sparkling lakes of the Great Rift Valley. We will have lunch en route and then upon arrival at the Aberdares Country Club we will be transferred with the Club's special vehicles to The Ark. Tonight will be special as we watch the wildlife coming down to the waterhole for a drink and to eat the mineral rich dirt. If you like, you can be "buzzed" if rhino, leopard or other rare species come to visit at night. B,L,D

**June 12: – Lion Hill Lodge - [www.sarovahotels.com](http://www.sarovahotels.com) (1 night):** Drive via Nyahururu to Lake Nakuru National Park. Small in size, but high in wildlife, this park abounds in picturesque lookouts and picnic spots. As Kenya's first and largest rhino sanctuary, sightings of both black and white rhino are almost guaranteed, while plentiful waterbuck, warthog, zebra, gazelle and buffalo graze the shoreline. Echoing to the haunting cries of the numerous fish eagles, this is also the park in which you have the best chance of seeing a leopard. You will arrive in time for lunch at the lodge followed by an afternoon game drive. Dinner & overnight at the lodge.

B,L,D

**June 13 – Mara Serena Lodge - [www.serenahotels.com](http://www.serenahotels.com) (3 nights):** Depart via the town of Narok to the Maasai Mara National Reserve. World renowned for the breathtaking spectacle of 'the greatest wildlife show on earth', the awe-inspiring annual migration of the wildebeest, the Mara is Kenya's most visited protected area. Technically an extension of Tanzania's renowned Serengeti National Park, the Mara constitutes only 4% of the entire Serengeti ecosystem but its rolling grasslands, meandering rivers and towering escarpments offer one of the world's most rewarding and evocative wildlife arenas. It is perhaps the only region left in Kenya where the visitor may see animals in the same super-abundance as existed a century ago. Lunch will be enroute just inside the park gates followed by a game drive to our beautiful lodge on a hill overlooking the huge herds of wildebeest below. Arrive in time for dinner and a good rest!

B,L,D

**June 14 & 15:** The next 2 days we will game drive looking for all the wildlife you have longed to see – elephant, giraffe, zebra, buffalo and of course the cats – lion, cheetah and the elusive leopard. The bird life is phenomenal and there are lots of opportunities to give your binoculars a good work out! If you like, you will even have a chance to go for a nature walk with a park ranger. Enjoy all meals at the lodge.

B,L,D

**Optional Hot Air Balloon Safari approx. \$500 USD Per Person. Subject to availability.**

## About Your Tour Host - Simi Sara

I didn't do a lot of travelling in my twenties, too busy working and having kids! But when our kids got into the double digits we decided it was time to start taking them places and showing them the world. We've travelled everywhere, overseas to Europe, to New York City to Hawaii, from Taipei to Tokyo, and a trip to India that we will never forget. We've gone cliff diving in Cinque Terre and seen the Taj Mahal in all its splendour. Along the way we have made many memories as a family and I've watched them develop into great travellers who can adapt to anything. Most of all we love the adventurous trips where we get to learn first-hand about historic events, places and the amazing wonders of the world. There are still so many great places to go and see!

## About Your Tour Leader - Carol Petersen

Wildlife photographer, videographer and Nature Encounters Tours & Travel owner Carol Petersen, is an avid wildlife advocate! Carol has been traveling to Africa since 1990 and led 90 safaris to South Africa, Zimbabwe, Botswana, Zambia, Namibia, Madagascar, Uganda, Rwanda, Democratic Republic of Congo, Kenya, Tanzania, Egypt, Galapagos, Ecuador, India as well as river cruises on the Danube, Rhine and Mekong Rivers and ocean cruises to the Baltic and Antarctica. The quote "Once you've been a part of Africa, it becomes a part of you" best describes Carol's love for this special part of the world. Whether it be canoeing down the Zambezi River within a few feet of a 5-ton bull elephant, capturing some precious moments with a family of wild gorillas, watching a pair of blue-footed booby's do their magical courting dance or following the alarm calls of Langur Monkey's in hopes of finding the very endangered Bengal Tiger.... that is Carol's idea of spending quality time.

In her dedication to preserving wild spaces, she encourages travelers' to walk lightly and appreciate these special places challenges. Carol walks the talk by contributing to environmental groups such as The Friends of the Galapagos, Sheldrick Wildlife Trust in Kenya, Victoria Falls Anti-Poaching Unit and Wildlife SOS in India. Other special projects include providing radio collars for lion conservation and purchasing school supplies, mattresses and supplies for the Kajiado Girls School - home to many rescued young women in Kenya. Her keen interest in our environment, endangered species and the enhancement of the ecosystems of our planet is a never-ending endeavor.

Carol also has a great love for the people she meets on her travels and works to support artisans in many countries. Carol is very proud to have been chosen for a "Woman of Vision" award for her conservation efforts – an honor bestowed to 12 women per year by a Calgary television station.
