**Sailing: June 20, 2022**

## 2022 Azamara Norway Intensive Cruise

Our ports here in the Land of the Midnight Sun include Stavanger, a fascinating town dating to the Middle Ages. Eidfjord is a tiny hamlet surrounded by steep fjord walls, sparkling crystalline glaciers, raging waterfalls, and mountain tundra traversed by herds of reindeer. We'll sail inland along the fjord to Olden and admire the awesome Jostedal Glacier, the largest ice flow in Continental Europe. In Svolvaer, 24 miles above the Arctic Circle, experience phenomenally dramatic scenery, dotted with massive glacial rock formations visible in every direction, expansive beaches and vibrant, green fields. Tromsø sits among a breathtaking landscape of snow-capped peaks and scattered islands. Be sure to take the cable car up Storsteinen Mountain where the view is second to none. In Honningsvåg, the northern most port of our voyage, you will marvel at one of Norway's most popular attractions: a majestic cliff, rising over 1,000 feet above the sea providing yet another majestic panorama. You'll want to visit the Northern Lights Museum in Alta, and in Harstad, know to the locals as "The Pearl of Vågsfjorden," immerse yourself in Scandinavian spa culture with a trip to the Grottebadet Waterpark.
