

# The Best of Zimbabwe with the Okavango Delta

## September 1 October 2027

### *The Best of Zimbabwe with Extension to Okavango Delta, Botswana*

Begin your journey in the dry savannas of Hwange National Park, Zimbabwe where vast herds of elephant roam freely and big cats prowl the plains. Continue to the mighty Zambezi River at Mana Pools National Park, a place of rare beauty and unforgettable encounters. Your adventure then moves inland, where your lodge overlooks a bustling waterhole alive with wildlife drama. No trip would be complete without witnessing "The Smoke that Thunders" - Victoria Falls, one of the world's greatest natural wonders. For those who wish to extend the magic, an optional journey into the legendary Okavango Delta awaits. Wildlife activities include boating, walking safaris and game drives, offering close encounters with elephant, giraffe, zebra, lion, leopard and more. Your accommodations embody authentic Africa - beautifully designed with ensuite washrooms, modern comforts and a touch of rustic charm. Add to this gourmet meals and expert guiding and you have the makings of an extraordinary adventure.

**In transit from North America to Victoria Falls, Zimbabwe.** Option to stop over in Europe or Cape Town to ease your jet lag! \*\*\*Optional extension to the amazing Okavango Delta for 3 nights – See Below.

**September 22, 2027 – Ilala Lodge, Victoria Falls, Zimbabwe (1 night):** Arrive in Victoria Falls for just one night before we head to the bush. Enjoy the sounds of the falls as you enjoy the rest of the day with a well-deserved rest!

\*\*\* Depending on arrival time, a tour of the falls will be included either today or at the end of your safari when we return to Victoria Falls.

#### **September 23 – Somalisa Camp, Hwange National Park, Zimbabwe (3 nights)**

<https://africanbushcamps.com/camps/somalisa-camp/> You are in for a wonderfully varied day! Depart Victoria Falls along excellent roads, passing through villages where you'll glimpse everyday life in rural Zimbabwe. A highlight stop awaits at the Painted Dog Research Centre, where you'll learn about one of Africa's most endangered carnivores and the inspiring efforts to protect them. Entering Hwange National Park, enjoy a picnic lunch as wildlife gathers at a nearby waterhole - your first taste of the park's abundance. Then, set off on a thrilling game drive to your camp, a place you're sure to fall in love with. As the sun dips below the horizon, sip sundowner's while the bush comes alive with evening sounds. A delicious dinner follows before you drift to sleep accompanied by the unforgettable chorus of the African night.

**Somalisa Camp** is set in the heart of Hwange National Park, known as the land of the giants for its large elephant herds. An authentic tented bush camp, Somalisa Camp offers a blend of old African charm and elegance together with an exclusive safari experience. Its stunning location tucked away on an acacia island along the edge of an ancient seasonal flood plain, gives it breathtaking views of the savannah plains of the famous Kennedy Vlei line.

At Somalisa Camp, we will experience the heightened romance of the African Bush in one of the most natural environments in Africa. This is the way Africa was meant to be explored. The camp is made up of elegantly furnished canvas tents with en suite bathrooms, flush toilet and romantic alfresco bush showers.

The décor echoes of an old era, from colonial to the ancient tribes of Africa, telling the story from all corners of this

magnificent continent. It's stunning main area and pool lends to complete relaxation, whether it be with a cup of tea or one of our refreshing cocktails, overlooking the pan where the herds of game congregate, offering rare moments with nature and outstanding experiences. Your senses will be awakened, and you will feast on our sumptuous cuisine, a balance of organic produce and innovative gourmet meals complemented by a choice of South African and Australian wines.

Meals are inspired by the Far East, Europe and Africa. The use of solar lighting ensures your comfort without interfering with the environment and the area's natural surroundings. The lounge and dining area are at the forefront of the camp, tucked under a soaring canopy of trees. Wide and well-traversed elephant paths

make up the paths connecting your room to the main area.

Activities include guided walks led by qualified and passionate guides who will share their knowledge and love of the bush with you, game drives as well as game viewing from hides. Walking and game drives will allow you the opportunity to observe elephant, kudu and sable antelope, zebra, wildebeest, gemsbok, the rare and endangered roan antelope, buffalo, giraffe, white rhino, lion, leopard, hyena, and many other wildlife species. The Kennedy Vlei is littered with flamboyant colors from all its seasonal wildflowers that emerge as the first rains begin, and as the grass dries out, the large herds of buffalo, zebra and elephant are in abundance.

**September 24 and 25 :** Two full days to enjoy the camp and this beautiful park.

### **September 26 – Nyamatusi Camp, Mana Pools National Park (3 nights)**

<https://africanbushcamps.com/camps/nyamatusi-camp/>: After breakfast at Somalisa Camp, we will be transferred by light aircraft from Hwange to Mana Pools and begin your 3 nights on the Zambezi River in our camp for an experience like no other.

**Mana Pools National Park** is an area that has been declared a world heritage site by UNESCO as the number of visitors to the park is strictly controlled. In Mana Pools the Zambezi River meanders through a wide valley, repeatedly splaying out into islands, channels and sandbanks, with escarpments rising dramatically on either side. Along the old banks of the river are the Four Pools, which give Mana its name – depressions filled with water in abandoned river channels.

Chine and Long Pool hold water throughout the year and attract large animal concentrations in the dry season. Herds of Buffalo, elephants, a variety of antelope and predators roam the Mana Pools floodplain. It is quite common to see up to 10 different species of animal in one sweep on the Mana Pools flood plain in the dry months.

Spending hours with a herd of buffalo or a few elephants, following predators hunting while on foot or canoeing past large pods of hippo will keep you awe inspired at the magical offerings of Mother Nature.

Activities in Mana Pools National Park are diverse and range from game drives, canoe safaris and exciting walks with relaxed wildlife. The combination of these interactions with such concentrations of wildlife and the sceneries dominated by the escarpment and river that characterize the rich alluvial floodplains create an unmistakable image. Your guides are the key to this area as they have spent much time here and know the area and its wildlife very well.

**Nyamatusi Camp**, our safari lodge is set in one of the wildest and most remote parts of Africa, on the banks of

the Zambezi, one of the world's oldest rivers.

Embracing comfort, this property embodies sustainable design. Fully solar-powered and built from all-natural materials it encompasses its wilderness location in the most elegant way. Here, your Mana Pools safari plays out against a sweeping riverine landscape, where epic encounters of the giants that roam this land await.

Consisting of six luxury tented suites, with uninterrupted views of the river and escarpment beyond, our lodge invites a blissful escape to nature. Each romantic guest tent is adorned with soft drapery and is replete with air-conditioning, indoor and outdoor shower and a private viewing deck, and plunge pool.

Thoughtfully located charging points are placed in your guest tent for those all-important cameras. Marvel at the incredible sights and sounds of one of Africa's last remaining wilderness hinterlands from the cozy bar or refreshing pool. Nyamatusi Camp, lightly translated, means 'wild game'.

Here, you spend your days walking in the footsteps of ancient explorers and tracks of elephants that crisscross the floodplain. Watch the drama of nature play out before your eyes on game drives or thrilling canoeing safaris. All these activities are included in your stay and led by qualified and passionate guides, keen to share their knowledge and love of the bush with you.

**September 27 & 28:** The day usually starts with an early wake-up call followed by a light breakfast and a hot beverage. At sunrise we embark on a morning activity which usually is a combination of a nature drive/walk or a canoe safari on the mighty Zambezi. This usually takes up to mid-

morning when we return to camp for brunch. In the heat of the day, enjoy your beautiful accommodation complete with outdoor shower and plunge pool - you may even have to "share" your plunge pool with one of the local elephants! Afternoon activities start with high tea and then we will be off walking, driving and or paddling. We get back to the camp just after sunset. Dinner is set under the stars with an amazing bush meal specially prepared by our bush chef after which we sit around the fire sharing our experiences of the day, enjoy the sounds of the night & some star gazing before retiring to bed. These are full days with adventure around every corner.

**September 29 – Kavinga Safari Camp, Mana Pools National Park (3 nights):** Our next stop lies on the edge of the Ruckomechi River floodplain, deep in the heart of Mana Pools National Park. Kavinga Safari Lodge offers an intimate and immersive safari experience in one of Africa's most celebrated wilderness areas. Elevated on a ridge with sweeping views of a lively waterhole, the lodge is perfectly positioned for unforgettable encounters—elephants, lions, wild dogs, and countless bird species are regular visitors. Designed to harmonize with its natural surroundings, Kavinga blends authentic African character with modern comforts.

Your accommodation is just above the waterhole, with raised canvas tents on wooden platforms offering sweeping views of the Zambezi escarpment. Private shaded verandas invite you to watch elephants, lions, and wild dogs wander past—sometimes without leaving your room. Each tent combines rustic authenticity with thoughtful design: ensuite bathrooms, eco-friendly solar power, and natural airflow that lets the bush breathe through. With only 14 guests at a time, Kavinga feels intimate and exclusive, yet alive with the thrill of the wild. Here, luxury is defined by connection—gourmet meals under the stars, expert guiding, and the unforgettable

soundtrack of the African night. Kavinga is more than a lodge; it is a front-row seat to the drama and beauty of Mana Pools. This is where the locals go on safari...

**September 30 and October 1:** Spend two full days immersed in the magic of Mana Pools. Watch the unfolding drama at the waterhole from the comfort of camp, where elephants, lions, and wild dogs are frequent visitors.

Venture out by vehicle to explore the floodplain and escarpment or set off on foot for a walking safari that brings you closer to the rhythms of the bush. These days are yours to savor—whether in quiet reflection as wildlife gathers or in thrilling encounters guided by expert naturalists.

**October 2 - Ilala Lodge, Victoria Falls, Zimbabwe (1 night):** It's a bittersweet day as we bid goodbye to the African wilderness and fly to Victoria Falls. Here, you'll be treated to the awe-inspiring spectacle of the "Smoke

That Thunders", one of the world's greatest natural wonders. After soaking in the majesty of the falls, enjoy some time for last-minute shopping for a few keepsakes - perfect reminders of your unforgettable journey.

B

**October 3 – In transit:** After an amazing adventure through Zimbabwe, it's time to head home. Your international flights depart from Victoria Falls, Zimbabwe, carrying with them memories that only Africa can give. Travel well and let the spirit of the bush stay with you long after you've returned home.

### September 19, 2027 – Xugana Island Lodge, Okavango Delta (3 nights)

Your safari begins as you fly from Cape Town or Johannesburg to Maun, Botswana and then connect with a

flight into the heart of the Okavango Delta. Here, you'll settle into Xugana Camp, where all meals and activities are included. Over the next three nights, immerse yourself in one of Africa's most unique ecosystems. Days unfold with a variety of adventures - glide silently through crystal-clear channels on a traditional mokoro (dugout canoe), explore the waterways by boat and set out on guided

walking safaris across the islands. Each activity reveals a different perspective of this extraordinary wilderness, alive with birdlife and aquatic species. Evenings bring the serenity of the Delta with sunset reflections on the water followed by starlit dinners in camp.

Xugana Island Lodge is set on the edge of the permanent Xugana Lagoon, widely regarded as one of the most beautiful water sites in the Okavango Delta. The lodge is built in harmony with its surroundings, shaded beneath ebony and mangosteen trees, with sweeping views across the lagoon's lily-lined waters.

Accommodation consists of thatched chalets with ensuite bathrooms and private decks overlooking the water, offering both comfort and intimacy. The lodge's small size ensures a personal atmosphere, with attentive staff who make guests feel at home. Communal areas include an open-air dining deck, a cozy lounge and a fire pit where evenings are spent under the stars sharing stories of the day's adventures.

Meals are freshly prepared and often enjoyed outdoors accompanied by the sounds of fish eagles calling across the lagoon. The camp's design emphasizes simplicity and authenticity, allowing guests to feel immersed in the wilderness while still enjoying modern comforts. Xugana is celebrated not only for its setting but also for its water-based safari's. Your mokoro excursions, boating and walking safaris reveal the Delta's unique ecosystem from every angle.

**October 4 & 5:** Two full days at the lodge enjoying amazing wildlife by foot & boat! B,L,D

**October 6 – In Transit:** A fond farewell to Africa as you will fly to Maun and then connect to your international flights home. B
